

Section 401 Water Quality Certification Public Notices

The Central Coast Water Board is currently reviewing applications for the following project for certification under Section 401 of the Clean Water Act. We encourage public comments on the proposed work, which will be considered in the decision. You may submit comments in writing on any of these projects to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator

Project Applicant	California Department of Parks and Recreation
Applicant's Agent	Ronnie Glick
Project Name	South Boundary Barrier Fence and Gate Repair and Replacement
Receiving Water	Pacific Ocean
City/County	Oceano/ San Luis Obispo
Public Notice	9/20/06 to 10/10/06
Project Description	

The purpose of this project is to remove and replace 340 feet of an existing weather damaged fence, including an 18-foot steel cable gate, which marks the boundary of the riding area for the Oceano Dunes State Vehicular Recreation Area.

The project activities include: removing the old piles by excavating sand around the piles using a backhoe or excavator, and installing the new steel eye-beam piles and cables using a pile driver. A temporary fence will be erected to prevent motorized vehicles from entering the sensitive habitats of the Oso Flaco natural area.

Mitigations were not proposed for this project.

A Negative Declaration was declared for this project.
